Additional Programs Introduced on WNTC

Campus Radio Station WNTC is introducing several new features for the benefit of the listening audience. These new programs include "Aladdin's Lamp" for the adventure seekers, and the "UN Review" for those who are diplomatically minded. For the lovers of the arts and sports, WNTC will attempt to broadcast these important events which are a part of college life in Potsdam.

"Aladdin's Lamp"

The big feature of the recent past has been the introduction of a new series of broadcasts entitled "Aladdin's Lamp". This is a series of short skits about the Boy Scouts of America which has been designed to appeal to an audience both young and old. An important feature is the fact that at the conclusion of each program a pertinent question is asked. For the best solution submitted by the listeners, an award of two movie tickets will be made. This program is scheduled for Monday evenings at 7:15 P. M. The "UN Review" will be heard at 7:15 P. M. on Wednesdays.

All possible Clarkson and SUTCP basketball games will continue to be regular broadcasts.

Extensive Modification

Due to extensive modifications of the WNTC studios during Thanksgiving vacation, many of the technical difficulties have been eliminated. It has been reported that the station has a greater coverage than ever before. Radio reception is now possible in the Pierrepont Dormitories of SUTCP.
